**KINDERGARTEN REGISTRATION**

When: Tuesday, April 25
Time: 9:30 a.m. or 3:45 p.m.
Ages: Children eligible for next year’s kindergarten
must be five years of age on or before Sept. 1, 2017.
Register: Invitations will be sent to parents of kindergarten
age children regarding registration procedures. Parents
should contact the elementary principal’s office if they do not
receive an invitation by mid April at (218) 927-4838.

It is not too early to begin planning for Kindergarten Regis-
tration. Kindergarten is a special year for both children and
parents alike. Please plan on attending.

State law requires that all children have an immunization cer-
tificate and proof of birth date before the child can start
school. If parents have an immunization certificate form
signed by a doctor or health officer they should bring it to
registration. Parents who haven’t completed this requirement
will be given a form and advised at registration so the re-
quirement can be completed for the fall term. The school
will also accept proof of birth date at the registration. This
can be in the form of a legal birth certificate, hospital certifi-
cate signed by a doctor or administrator, or baptismal certifi-
cate.

RENTAL POLICY

The Aitkin Schools desire to cooperate with community organizations by making school facilities available when there is not a conflict with the educational program. For service organizations, such as PTO, Lions, Jaycees, Quarterbacks, Legion, 4-H, Boy and Girl Scouts, and political parties, there is no rental charge for facility use.

Private businesses, individuals, and religious organizations are assessed a fee as outlined in the District Policy DFD. There is a charge for any extra custodial work that is necessary or, if the kitchen is used, for a cook’s time.

During the school year there are custodians on duty each school night and usually there is no charge for their time when they are already working. There will be a charge for refuse disposal and air-conditioning in the auditorium when that is requested.

Persons and organizations wishing to use school facilities should go to the District Office to sign the rental form and to review board policy. This should be done well in advance to ensure reserving the date.

Athletic fields and other outside areas also need to be reserved.

MISSISSIPPI MUNCH

The Aitkin High School Restaurant and Culinary Arts Class will open their restaurant to the public for lunch in early February 2017. “Mississippi Munch” is the chosen name for the restaurant. This year we have 13 aspiring chefs to prepare your food and serve you. We have recently acquired a panini grill and will be experimenting with different sandwiches and specials. Look for our hours of operation on the Aitkin Public School Website. We are looking forward to a fantastic year and hope that you will join us for lunch!
