AHS Registration:	<p>If you plan to be a full-time PSEO student next year, still register as if you will be full-time at AHS. Your schedule will be modified once you provide the School Counseling office with a copy of your fall schedule at CLC.</p>
Schedule:	Part-time students should cluster classes together at each campus and keep a similar schedule in the fall and spring to avoid conflict due to semester overlap between campuses. Once you have a CLC schedule, bring a copy to the School Counseling office. If you wish to be part-time, indicate to Mrs. Sander which classes you hope to keep at AHS. We are not able to guarantee that AHS classes will work with your CLC schedule.
Textbooks:	Textbooks are free through the PSEO program. Bring a copy of your schedule and a photo ID to the CLC bookstore to get your books. Students may obtain books through the 5 <sup>th</sup> day of the semester. All books must be returned to the CLC Bookstore at the end of each semester or you will be billed. Textbooks can be ordered online and shipped to your home free of charge, see Mrs. Sander if you need assistance with this process.

Credit Info:	1 AHS credit is equal to 2 CLC credits. <b>Full-time PSEO students must enroll in a minimum of 12 credits each semester. Students may earn up to 18 CLC credits per semester.</b> If you take more than 18 credits in a semester, you may be billed for the tuition and fees for the extra credits. Most full-time college students complete an average of 15 credits each semester. All classes at CLC must be taken for a letter grade; there is no pass/fail option.
AA Degree/ HS Diploma:	PSEO students are responsible for tracking their progress towards an AHS Diploma with guidance from Mrs. Sander. Refer to the provided Credit Check sheet. PSEO students wishing to obtain an AA Degree from CLC are responsible for tracking their progress towards that with guidance from a CLC advisor.
Course Restrictions:	PSEO students are not eligible to take courses numbered below the 1000 level. These courses are considered remedial. If your Accuplacer suggests a course below the 1000 level, return to your high school to complete that credit requirement, or pay out of pocket for the remedial course at CLC. Students will be billed for taking courses below the 1000 level. Courses during the summer are not covered under the PSEO program.
Drop/Add:	Students have 5 business days after the start of the semester to drop/add courses without penalty.
Withdrawing:	Notify Mrs. Sander immediately if you would like to consider withdrawing from a CLC course. Students who withdraw after the allowed timeframe will receive a W on their CLC transcript. Withdrawing from a college class will also affect your completion rate at CLC. <b>Students who do not complete at least 67% of the courses they attempt will risk suspension from the PSEO program.</b>
Warning/ Suspension:	<b>PSEO students must maintain a 2.0 GPA (cumulative) in their CLC courses and complete 67% of the courses attempted.</b> If a student falls below either of these levels, they will be placed on Academic Warning. Per CLC policy, if GPA and course completion rates do not meet requirements after one semester, students are placed on Academic Suspension and dismissed from the PSEO program. <a href="https://www.clcmn.edu/registration/satisfactory-academic-progress/">https://www.clcmn.edu/registration/satisfactory-academic-progress/</a>
Tutoring Help:	Free tutoring help is available through CLC. Visit the CLC Tutoring Center website for information on how to schedule a time with a tutor. <a href="http://www.clcmn.edu/library/learning-commons-2/">http://www.clcmn.edu/library/learning-commons-2/</a>
Announce- ments:	The student is responsible for keeping track of important announcements from the high school. Be sure to continue to check your high school email account. You may also view the announcements daily on the AHS website.
MSHSL:	PSEO students are <b>NOT</b> exempt from the policies, procedures, and rules of Aitkin High School and the Minnesota State High School League (MSHSL). Semester grades earned through the PSEO program are used to determine eligibility with the MSHSL.
Contact Info:	Contact your school counselor if you have questions Meredith Sander <a href="mailto:msander@isd1.org">msander@isd1.org</a> or 218-927-7108

# PSEO Contract

Please read through this contract carefully and place your initials next to each statement that you have read and understand.

## Student Initials Parent Initials

		I have met with my parent(s) and an AHS Counselor. I have plans to complete the online CLC application and will contact my AHS counselor if I need assistance with anything ASAP.
		I will submit this contract and the Notice of PSEO Student Registration form to the School Counseling office at AHS no later than <b>May 30<sup>th</sup></b> of the school year prior to enrolling PSEO.
		I understand that if I enroll in a remedial college course numbered below the 1000 level I will be billed for the course. I understand that if I enroll in more than 18 credits I may be billed for the extra tuition and fees.
		I understand that I can take 12-18 credits per semester at CLC if I am full-time at the college. If I take classes at AHS, I must adjust my class load at CLC accordingly.
		I understand that it is my responsibility to keep track of my credits for high school graduation. I can meet with an AHS counselor for advice. If I withdraw from or fail a college course, I will notify my AHS counselor right away in order to ensure that I have enough credits to graduate high school.
		I understand that it is my responsibility to keep track of my credits to earn an AA degree from CLC. I can meet with an AHS counselor for advice, but the only person to guarantee if I am on track for an AA degree is a CLC advisor.
		I have read and understand the PSEO policy on deadlines to withdraw from a class, and I understand the warning/suspension policy. I know that a "W" at CLC may impact my academic warning/suspension status at CLC.
		I know that most books are free through the PSEO program and I will identify myself as a PSEO student when picking up my books. I will return my books to the college bookstore at the end of the semester to avoid being billed.
		I understand that some college courses do require extra fees above and beyond what the PSEO program will cover. I will be responsible for paying those fees.
		I understand that it is my responsibility to be informed about what is happening at AHS. I will check my AHS student email and/or the AHS website regularly to view student announcements. I also understand the policies of AHS and the MSHSL still apply to me as a PSEO student.
