

Early Childhood Screening

Looking
for all 3-4 year
olds....

Who: Children who are three years of age by January 1st, 2018 are eligible to participate in Early Childhood Screening.

Please Note: Minnesota Statute requires that all children must be screened one time prior to entering kindergarten.

What: Screening is a free, quick, simple check of a child's overall development. The goal is to detect any possible learning or health concerns so that children can get the necessary help they need prior to entering kindergarten.

When: Wednesday, January 24th 12:00 - 6:30 pm

Where: Screening is held at the Aitkin Children's Center

Call 927-7735 to schedule your appointment today!!!!
