KRISTA OLSON, Community Ed. Dir. / Elem. Dean of Students

Kindergarten Registration

Kindergarten Registration for all kindergarten age children in the Aitkin School District will be held at and Rippleside School on Thursday, April 26th at 9:30 a.m. and at 3:45 p.m. Parents may choose which time works best in their schedule. The registration will include sharing information on what can be done to help your child get ready for school. Kindergarten children are not required to attend.

State law requires that all children have an immunization certificate and proof of birth date before the child can start school. If parents have an immunization certificate form signed by a doctor or health officer they should bring it to registration. Parents who haven't completed this requirement will be given a form and advised at registration so the requirement can be completed for the fall term. The school will also accept proof of birth date at the registration. This can be in the form of a legal birth certificate, hospital certificate signed by a doctor or administrator, or baptismal certificate.

Invitations have been sent to parents of kindergarten age children regarding registration procedures. Parents should contact the elementary principal's office if they do not receive an invitation at 218-927-4838.

Children eligible for next year's kindergarten must be five years of age on or before September 1, 2018.
