

## Parents' Right to Know

Under ESEA any school receiving Title I funds must notify parents that they may request information regarding the professional qualifications of the student's classroom teachers and paraprofessionals. As of September 2016, the teachers and paraprofessionals assigned to Rippleside Elementary School meet the Federal and State Standards for licensing criteria.

If you would like this information, please submit a written request to:

Shari Nordean  
Federal Program's Coordinator  
Rippleside Elementary  
225 2<sup>nd</sup> Ave. SW  
Aitkin, MN 56431
