

EXPENSE REIMBURSEMENT

I. PURPOSE

The purpose of this policy is to identify school district business expenses that involve initial payment by an employee and qualify for reimbursement from the school district, and to specify the manner by which the employee seeks reimbursement.

II. AUTHORIZATION

All school district business expenses to be reimbursed must be approved by the supervising administrator. Such expenses to be reimbursed may include transportation, meals, lodging, registration fees, required materials, parking fees, and other reasonable and necessary school district business-related expenses.

The Board of Education recognizes the need for staff to attend meetings, seminars, conferences and other activities away from school as stated in various places. Under certain conditions staff shall be reimbursed for expenses.

III. REIMBURSEMENT RATES

1. It is encouraged that school-owned vehicles will be used when it is reasonable to do so. If a school-owned vehicle is not available and one's private vehicle is used—the reimbursement of actual miles to and from the conference site will be at the current IRS stated rate. **Mileage will only be reimbursed for one vehicle unless the size of attendees necessitate more vehicles or a school related activity requires a second vehicle. Mileage must be preapproved by the superintendent if a second vehicle is required.**
2. Meals will be reimbursed per workshop day as follows: Breakfast - \$8, Lunch - \$12, and Dinner - \$20. Reimbursement will be based on the cost of meals with a maximum of three receipts per day.

Tips, alcoholic beverages, “gift” or guest meals are not reimbursable. **(Itemized slips with alcoholic beverages included will not be reimbursed.)**

Itemized receipts must be provided to verify the expenses (not credit card receipts).

Meals will be reimbursed within the school district boundaries when a workshop or meeting is held within the district outside of the normal work day.

Meals will not be reimbursed the night before (an overnight stay) for meetings the following day unless preapproved by the site's Staff Development Committee (or applicable supervisor for districtwide staff development) and the Superintendent.

If meals are included with the meeting/conference, no receipts will be approved.

3. Parking costs are reimbursed for the actual cost – receipts must be provided.
4. Accommodations (motel/hotel) are reimbursed for the actual cost, normally at the double occupancy rate.

Hotel/motel costs for the night before a conference will be reimbursed if the distance is more than 120 miles from the school.

Hotel costs the night before a conference within 120 miles from school can be approved at the discretion of the site's Staff Development Committee (or applicable supervisor for districtwide staff development). These requests must be preapproved by the Superintendent.

Room movies, personal telephone calls, and room service are not reimbursable.

5. Reimbursement for airline costs, rental cars, airport transfers and other travel related costs will be at the discretion of site team budget limits, and/or past practice. Employees utilizing school district funds to pay for airline travel are required to ensure that any credits or other benefits issued by any airline accrue to the benefit of the school district rather than the employee.
6. All claims for reimbursement must have an itemized list of all expenditures in order to receive reimbursement.
