

Free & Reduced Meals

Please Note: Families MUST fill out a new application for benefits at the beginning of each school year or your benefits will expire!

Applying matters! By applying for educational benefits families may qualify for free or reduced meals. Also, much of the district's funding is determined based on the free and reduced counts.

You may apply for Free & Reduced Meals either online or on paper.

Online: Login to your parent portal in Infinite Campus and click on "More" on the left hand side. Then click on "Meal Benefits" and start the application process.

Paper: Go to www.isd1.org click "Food Service" under District. Click on "Free and Reduced Meals Application" to download and print paper application. Please return the completed application to the District Office.
