MacBook Air/iPad Insurance Declaration

Introduction:

Independent School District #1 is proud to offer an affordable insurance/technology policy to our families participating in our MacBook Air/iPad 1:1 program. Your policy protects your district-issued MacBook Air/iPad (hereafter referred to as “device”) against a variety of losses. This document explains the insurance coverage offered by the school district, what is covered /not covered, and an explanation of what to do if you have a loss. This coverage applies ONLY to loss occurring during the policy period, which ends on the student’s last day of enrollment in the school year in which the insurance fee was paid.

Replacement Cost Policy:

After the deductible is met, ISD #1 will pay the current cost of repair or replacement, up to the present value of the device. When the identical device/item is no longer manufactured or is not available, the district will pay the cost of a new device/item similar to that damaged or destroyed and which is of comparable quality and usefulness. The amount of coverage should represent the value of insurable goods.

Cost of Insurance/Repairs/Replacement:

Insurance will be \$50 per computer/\$20 per iPad. Discounted cost for MacBook insurance for families eligible for educational benefits (free/reduced meals) is \$25 (MacBook) or \$10 (iPad) per student.

Cost with insurance:

- First Incident: \$50.00 Deductible
- Second Incident: \$100.00 Deductible
- Third incident: 50% cost of repair
- Fourth incident: 100% cost of repair
- MacBook Air replacement: approximately \$880.00
- iPad replacement: approximately \$294, iPad Touch Case replacement: \$120

Cost without insurance:

- All incidents: 100% of cost of repair
- MacBook Air replacement: approximately \$879.00
- iPad replacement: approximately \$294.00 for the iPad and \$120.00 for the typing case

- Intentional damage to a device: ISD #1 will not cover a loss caused by intentional damages or destruction of property covered under this policy.
- Damage done to the device by another student. If a report of another student damaging the computer/iPad is filed immediately with the principal, the other student will be responsible for 100% of the repair/replacement cost. If the damage is not reported, the student who was issued the computer/iPad will be responsible for 100% of the repair/replacement cost.

- Cosmetic dents or scratches
- Loss and damage that is covered by another insurance plan or funding mechanism.

What to do if you have a loss:

If you have a loss to property covered by this policy, you must:

1. Notify the local police immediately upon discovery of the theft or loss.
2. Report the loss to ISD #1 as soon as possible. Report all claims to one of the following: ISD #1 Technology Department or the Principal's Office at Rippleside Elementary or Aitkin High School.
3. Do everything possible to protect your property from further loss.
4. Separate the damaged property from the undamaged property.
5. Respond in an honest and forthcoming manner to the district's questions about your claim. You must also be willing to sign a copy of your answers.
6. Be honest: This policy will not provide coverage if you mislead, attempt to defraud or lie about any matter concerning the insurance, either before or after a loss. Unintentional errors or oversights will not affect your coverage.
7. Subrogation: In the event of a loss, you may be able to recover part or all of your loss from someone other than ISD #1. Because of this, you must do all that is possible after the loss to preserve any rights you may have to such recovery. If we make a payment under the policy, your right of recovery then belongs to ISD # 1. You must help us as much as you can to enforce these rights.
