Help Me Grow: Is your child on track?

No two children develop, grow and learn in the same way or at the same pace, however, children do develop in certain predictable ways. If you have questions about your child's growth, development or learning, you are encouraged to visit helpmegrow.org. The website provides resources, including videos, on developmental milestones as well as steps to take if you have concerns about a child's development.

How to make Cloud Dough

Ingredients - 2 Cups Corn Starch
1 Cup Baby Lotion
Food Coloring (optional)

Instructions -

1. Mix lotion & cornstarch together until combined
2. Separate & add food coloring to make different colored dough.

WANTED: NEW TOYS!!

The Aitkin Children's Center will be participating in Operation Christmas this holiday season.

Operation Christmas provides toys and gifts for children living in Aitkin County at Christmas. Consider donating a toy, unwrapped and in store packaging. Toys can be dropped off at the front door through Friday, December 2nd.

Parent Advisory Council Corner:

The Aitkin Children's Center Parent Advisory Council met for the first time last month. This council is comprised of center staff, parents, a school board representative, and other community members. The council exists to provide feedback to enhance and improve programming at the Center as well as for parents to share concerns. **Everyone is welcome and your input is valued!**

The next meeting will be held on Tuesday, November 8th at 5:30 pm. Free childcare will be provided. Please email lparkin@isd1.org if you are in need of childcare that night.

Download SEESAW Today:

Within the last few weeks, you should have received an invitation to join SEESAW. SEESAW family is an app that parents download on their phone. SEESAW is a simple way for teachers at the ACC to record and share what is happening in their child's classroom. SEESAW brings learning to life and allows parents to answer the age old question that children never seem to answer, "What did you do today?" SEESAW is a simple way for teachers and parents to communicate. Sign up for your SEESAW account today.
