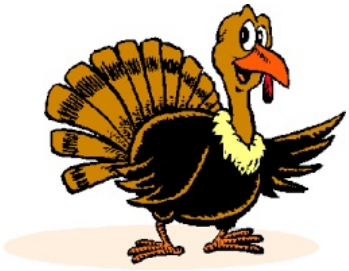
Aitkin Children's Center

November Newsletter 2026



Conferences:

Conferences will be held on Thursday, November 5th. Please check your email and/or SEESAW for the link to sign up for a time.

Parent Advisory Council Corner:

We are looking for parents who would like to get together once a month and talk about some Family Fun Nights throughout the year. The next meeting is Thursday, Nov. 18th at 5:30. In the Aitkin Children's Center.

Download SEESAW Today:

At the beginning of the year, you received an invitation to join SEESAW. SEESAW family is an app that parents download on their phone. SEESAW is a simple way for teachers at the ACC to record and share what is happening in their child's classroom. SEESAW brings learning to life and allows parents to answer the age old question that children never seem to answer, "What did you do today?" SEESAW is a simple way for teachers and parents to communicate. Sign up for your SEESAW account today.

FFN Play n Learn:

FFN caregivers are family members, friends and neighbors that care for children outside of a formal child care setting—think of the grandparent who cares for their grandchildren during the week or a neighbor who watches a child after school while their parents commute home. They care for a child or several children on a regular basis and may provide care for free or with payment.

Our next Play-n-learn is:

Monday, Nov. 16th 1:00 - 2:15 @ the Children's Center

Scholastic Book Orders

Be on the look out!! Each month except December and May you will receive a book order catalog. For every order the center gets points to get more books for the classrooms. Thank you in advance for all your orders!

Dates to Remember:

Nov. 5 & 6 NO SCHOOL Conferences and Teacher Inservice
Nov. 18 Parent Advisory Council Meeting
Nov. 19 Book Orders Due
Nov. 26-27 NO SCHOOL Thanksgiving Break
