

Senior Prep 2024-2025

Dear Parent/Guardian,

Please note the following regarding Senior Prep for 2024-2025:

1. Senior Preps are available for either period 1 OR period 7, not both. Schedule changes to free up period 1 or 7 won't be readily allowed.
2. To be eligible for a Senior Prep, students must be on track with credits for graduation. Students behind in credits are not eligible for a Senior Prep until they have recovered lost credits.
3. Seniors cannot be in the AHS building during their Senior Prep period unless they have permission from an adult who works at AHS.
4. In taking a Senior Prep, students are forfeiting their opportunity to take a class in which they could do well and possibly raise their cumulative GPA.
5. In taking a Senior Prep, students must take extra care to pass all of their remaining classes in order to stay on track for graduation.
6. AHS Administration can cancel a student's Senior Prep at any time due to behavior referrals, failing grades, and/or a student falling behind in credits towards graduation.

In signing this form, I have read the above statements and agree to allow my 12th grade student to have a Senior Prep.
