

In January of 2015, the voters in Independent School District rejected a \$24.2M bond referendum to do significant remodeling at both Rippleside Elementary and Aitkin High School. There were 1,011 votes in favor of the referendum and 1,077 against.

A second ballot question (contingent on passage of the first question) was offered that would have resulted in an athletic complex. The second question also failed, but with a margin of 804 votes in favor, and 1,273 votes against.
